FROM THE PRINCIPAL

Hello everyone

Welcome to the first newsletter for Term 3.

Already the visit timetable is in full swing and many of you have already received a visit this term.

On the home front, I have been appointed as Principal until Steve returns at the start of term 3, 2018. I look forward to continuing in the position and working with everyone.

Our sports and activity days are almost upon us. A big thankyou to all those that have already submitted their intention to attend forms, and a reminder to those that haven't. Planning is well underway with accommodation being allocated and timetables etc. being finalised.

We are all looking forward to an excellent program where our kids can be actively involved.

A reminder that if you require a Home Tutor, REVISE (Retired Educator Volunteers for Isolated Students Education) may be an ideal option for you. See the following website for more information:

Until next time

Woolies Earn & Learn Stickers

Don't forget, if you are shopping at Woolies, to ask for the stickers. Please stick them on the sheets posted to you and send them into school in your red bags, or put them in the CSOTA box at Woolies or at school. THANK YOU!
