### FROM THE PRINCIPAL

Hello all

Term 4 commences for students on Tuesday 10<sup>th</sup> October. Monday the 9<sup>th</sup> is a Staff Development Day. It is shaping up to be a very busy term with the last of the home visits being completed in the first 4 weeks and SOTA Muster taking place from the 5<sup>th</sup>-11<sup>th</sup> of December.

If you have not already done so, could you please send back your intention to attend forms for ‘Muster’ as we need to meet our booking deadlines. If you are unable to attend it is expected that the students continue with their school work, the only difference being they will not have any on-air lessons. All lessons, including-on air lessons, for K-3 students will continue until the end of term.

A big thank you to all families who attended the activity and sports days, and also to the 17 students that stayed on for the interschool sports carnival. I think this is a record. It was a great camp by all reports. A special thanks to Mrs Page for organising all of the sports days. I would also like to acknowledge parents for their efforts in getting students to attend and helping out, and thank you to staff for their efforts in making the days successful. Students had some much valued time with teachers and peers and created many fantastic memories along the way.

I hope everyone has a fantastic and safe break.

Regards  
Max Gronwald
