**VOLUNTARY CONTRIBUTIONS**

Here’s the GOOD NEWS: It is never too late to pay your annual voluntary contributions. As we have received half of family contributions so far, it would be great to receive the other half.

The contributions are:
- One student - $60
- Two or more students - $120

These contributions help fund resources and activities that directly benefit our students. Please send in to the school or pay by direct deposit. Pop me an email for bank details.

Many thanks in advance
Debbie Burridge
Registrar

**RED BAGS & SET WORK PLASTIC PACKS**

Do you have any spare red bags and set work sleeves/packs in your classroom? We are getting short of them here at school. Australia Post is no longer supplying these bags to SOTA; therefore we will have to buy our own from now on. I haven't researched the price yet as I am too scared to look!!

Please send your empty red bags back to SOTA next time you send work in.

Do you have any spare set work plastic sleeves/packs? We have totally run out of these at school and have ordered some more. They are priced at $5 each, therefore the more we get back the less we have to order in future.

---

**Reminder to Yr 4-7 Parents**

Don’t forget to get your ‘Crazy Critter Camp’ permission and medical forms in. Try to post or fax them back over the holidays as the camp is soon - Week 3 next Term! It is shaping up to be a fantastic Mini Camp!

---

Have a wonderful Holiday!
