FROM THE PRINCIPAL

Dear Parents, Home Tutors and Students

Welcome to the first newsletter for 2019. I hope everyone has recovered from a very successful Home Tutors Seminar.

Sports Muster will be coming up in Week Three of Term Two as discussed at Home Tutors. Planning is underway with the camp having a strong focus on skills development as well as an opportunity to conduct the new NAPLAN Online. This will be the first year students will complete this online, with us going across to Meekatharra SOTA to utilise their internet and facilities.

A Mini Muster will be held at the same time for our junior students. For those that can attend this will commence at 8:30am on Monday (13th May) with the final day being on Friday (17th May).

We are still having a few teething problems with WebEx; however these are now becoming much less frequent. If you are having any issues please contact 'Support' for assistance.

I hope you have had a great start to the year.

Until next time
Max Gronwald
