### FROM THE PRINCIPAL

Dear Parents, Home Tutors and Students

The last week of term has come around a little quickly as is often the case when everyone is going about their busy schedules.

Final preparations are in full swing for annual Sports Muster in Geraldton. We have a large cohort of Yr. 3-6 students attending this year and we are looking forward to another fantastic learning journey for our students. NAPLAN Online will be taking place while we are in Geraldton for our Year 3 and 5 students. Practice session for our students will take place this week. For students participating in the NAPLAN Online practice, I will send more information and instructions prior to the session.

Congratulations to the students who participated in the Interschool Swimming Carnarvon. You represented the school with pride. Thank you to parents for making the trip to town so that your children could swim for CSOTA!

A reminder to send any library books and any unwanted / unused SOTA items you may have sitting around back to school. We need to replenish our shelves in readiness for next term. Please also send back any red bags that you do not need.

This Friday, instead of the usual Friday Morning Muster we will be holding our Anzac Assembly.

Have a great holiday break

Until next time  
Max Gronwald
