FROM THE PRINCIPAL

Hello everyone

Welcome back to our intrepid campers who travelled to Geraldton for our annual Year 3-6 Sports Muster. It was an action packed week with all enjoying the activities, but not the sickness that plagued our students and teachers this year. By all accounts Mini Muster also went well but not without a few sick students as well. This was the first year we have completed NAPLAN online. It did not go totally to plan, however we got through it in the end.

Congratulations to all our campers for their wonderful enthusiasm and behaviour and particularly to our new campers who rose to the challenge. It was a great camp!

Teachers have started Semester One report writing. Please make sure your children are up to date with their set work. If you have any concerns, please call your teacher. This year reports won't be locked until the last week of term. This will give teachers every opportunity to evaluate all work submitted.

The planning for Canberra Camp is well underway. Final numbers have been locked in and the final itinerary should be in place by the start of next term. Due to bookings being made by schools up to 3 years in advance, we have already booked for 2021 to ensure this valuable camp still proceeds.

I will be away for the next two weeks. Mrs Catriona Nixon will be taking my place while away.

Our school review is almost upon us. Our submission is almost ready and the review group will visit the school on the 19th June.

I hope everyone is travelling well after the respective camps.

Until next time
Max Gronwald
