FROM THE PRINCIPAL

We have finally come to the end of a huge Term Two and I think we are all due for a well-earned break.

Student Semester Reports have been emailed and hard copies placed in the post. The Reports gauge student progress against expected age appropriate learning milestones and identify aspects a student is succeeding in or needs to improve. Please ensure that you read all components, as it provides a platform from which students can progress next semester.

Planning for the Canberra Camp and Mini Muster next term is well underway. Our goal is to ensure **all** students have the opportunity to socialise with other students, so if you have any issues regarding attendance please contact me to negotiate the best plan for you.

We have received our School Review Report which has been placed on our website. We are pleased to announce our school is an 'Effective School' and we look forward to implementing the recommendations of the report.

Our new garden shed has been scheduled to be built over the holidays, so we will be able to accommodate all of the cleaning equipment outside of the Administration Building.

I would like say farewell to Ms Heidi Gardiner. We have valued her time here at CSOTA and would like to thank her for her dedication to distance education. I know she has built a very good rapport with families and students. Ms Melanie Bartsoff will be commencing in ECE next term. Melanie has been teaching in Perth and I know everyone will make her feel very welcome.

I hope everyone has a safe and refreshing break from school and returns ready for another action-packed semester ahead.

Yours sincerely
Max Gronwald - Principal
