Our local ICPA branches hosted the State ICPA Conference held in Perth this week. Congratulations to the Gascoyne-Ashburton and Southern Gascoyne branches for a job well done! Before the Conference, the ICPA held a workshop at the school to make wonderful candle holding lanterns for table centrepieces at the Conference. Don’t they look great!

ICPA stands for Isolated Children’s Parents Association and is a national body committed to representing all rural and remote students and their families at all stages of educational opportunity. ICPA was established in 1971, and has become well respected within Government departments and the education community at both State and Federal levels. For more information, check out the ICPA website: www.icpa.com.au and follow the links to our local branches. Also, look in your red bags this week for the latest flyer.
